Targus

THD00604CA | Targus Slim Case for 3rd/4th Generation iPad® (Calypso Pink)

Transform your iPad into a widescreen viewing experience with this convertible iPad case. The Targus Slim Case is top of the line in protection and functionality for the iPad. Lined with soft-touch material, this case will protect the aluminum back of your iPad by keeping it secure within the custom fit cradle. The Slim Case also has a padded outer shell which supplies protection against other bumps and scuffs. Made from a high quality water resistant material, the exterior wipes clean with water. Fold this case back to for two great viewing angles and one typing position. When you are wrapping up and taking your iPad with you, just fold over its magnetic flap and tuck your stylus in its own clever hideaway. This case gives you all you need in support, protection and entertainment.

Designed specifically for the iPad 3rd/4th Generation
